Sir,

In response to your letter No. NWAC/2017-18/728 dated 01 Jun,2018 on the above cited subject, this is to state that the recognition/equivalence of degrees/ certificates/ passing out class results etc. is a mutually agreeable/reciprocal matter between two Universities and and times between Regulatory bodies of professional education of two countries.

Since, the Association of Indian universities has already recognized your 12th / senior secondary certificate as equivalent TO OUR School leaving Certificate Course of CBSE/State Boards; it implies that our University also does so on reciprocal basis.

I hope this satisfies your query. With regards,

Sincerely,

Dear Sir,

Greeting of the Day!

According to the rules and regulation of Admissions process of Glocal University, we follow the standard given by **Association of Indian Universities (AIU)** for International students. We admit the international students on the basis of the Equivalency Certificate given by Association of Indian Universities.

As AIU has accorded equivalence to 12 year High School Diploma awarded by the State Department of Education or by the Six Regional Accrediting Bodies with +2 stage qualification of an Indian Board which is the minimum eligibility requirement for admission to Bachelor degree programme in India, the Glocal University has no objection regarding American High School Diploma Programme (Grade 12/12th class/Senior Secondary) of Northwest Accreditation Commission (NWAC), USA as eligible Qualification for Undergraduate Courses.

Looking forward for your cooperation!
